**Prayers for the Sick - GDPR Legislation**

Please remember that the written consent of those who are ill (**they and they alone can give it**), is required before their names can be published in the Parish Newsletter. (To simplify this there are forms available on the porch table which just require a signature.) Likewise, Mass Intentions for those who are living should be simply listed as a '**Private Intention**' with the surname of the donor'.

### **Children's Liturgy**

A reminder that the Children's Liturgy is intended for children who are aged four and over. Generally they continue to be a part of the group for one year after their First Holy Communion, and after this they should be ready to remain with their families during the Liturgy of the Word. We use a simpler form of the readings of the Sunday, but children younger than four are not yet able to understand and contribute to the group. Children should be confident enough to attend without a parent, although you are very welcome to take them in for the first time.
