Prayers for the Sick - GDPR Legislation

Please remember that the written consent of those who are ill (**they and they alone can give it**), is required before their names can be published in the Parish Newsletter. (To simplify this there are forms available on the porch table which just require a signature.)

During the Week at St Anthony's

Sunday 12th May: First Holy Communion Celebration

Please remember in your prayers the 26 children from our parish who will be receiving Jesus in Holy Communion for the first time next Sunday.

There is a list on the table in the porch for any contributions of food for the First Communion Breakfast. If possible food should be on trays, covered with cling film, so that it can be put straight onto the table, please. Thank you all for your support.

2019 Lourdes Pilgrimage

Our Pre-Pilgrimage Mass will take place next Sunday, 12th May, at 2.00 pm at Sacred Heart Church, followed by a get-together in the parish hall. All welcome.

Also a big thank you to those who have been busy knitting or crocheting blankets - the response in Hull has again been amazing and our supported pilgrims will certainly appreciate them all!

CAFOD Humber Bridge Cross - Saturday 11th May, 2.00 pm

Once again CAFOD is joining Christian Aid for the Bridge Cross. Last year Christian Aid raised nearly £10,000, but sadly there were very few walkers for CAFOD. This year Catholic parishes are trying to get as many people as possible to join the walk, which is an enjoyable way to spend an afternoon, whilst raising funds for CAFOD. In the porch there is a list for walkers to sign and some sponsor sheets.

'Make Yourself Heard' campaign: Silent 999 System

The Independent Office for Police Conduct (IOPC), launched a campaign on 8th April to raise awareness of a system to help people alert police when in imminent danger but unable to speak. The 'Silent Solution' system enables a 999 mobile caller to cough or tap the handset, and then to press 55 when prompted to inform police that they are in a genuine emergency. The system is well established in the UK but is only effective if the public know and understand how it works, a silent call by itself will not automatically bring help.

Hospital Chaplains
