

# **St. Anthony's Christmas Card 2023**

## **Picture for the front of the card**

Drawings for the front of the annual Church Christmas Card are required. The picture can be done by anyone of Primary School age. The instructions are:

- Please use A4 plain white paper
- A simple picture is best, no words, please
- Picture should be something from the Nativity account which is the real meaning of Christmas
- Ensure any background colouring is in a light shade to give contrast to the rest of the picture, so the important scene stands out when the A4 size is reduced to one quarter of that size for the front of the card.
- No glitter or shiny bits
- Remember that the picture will be reduced in size for the card so needs to be clearly visible when small

Put your drawing in the big red box in the porch at the latest by the **start** of Mass on Sunday 19<sup>th</sup> November.

Late entries not accepted as it is unfair on those who submitted entries on time

Parents - please encourage your children to take part – especially with half term coming up it is something to do over half term holidays.

The winning entry will be announced on Sun 26<sup>th</sup> November.
