Removal of the 50% Cap on new faith schools

The Department for Education is running a consultation on ending the 50% Cap on admissions for new free schools. This is a longstanding objective of the Catholic Education Service. The consultation is running until 20th June and it is essential that the DfE receives more positive responses than negative ones to have any chance of the Cap being removed in the future. There is a section of the Bishops' Conference website which has a short form people can fill in which will submit a positive response to the consultation. Please see details at <https://www.cbcew.org.uk/lifting-the-faith-schools-cap/>
